

Remarks/Arguments:

In the first SUPPLEMENTAL AMENDMENT, the amendment to Claim 30 at line 11, the letter "s" was deleted from the word "occupants" incorrectly. Instead of indicating this amendment by double brackets "[[s]]", as done above in the **Listing of Claims**, applicant used a strikethrough "s".

In a recent telephone conversation with the Examiner, applicant was informed that this response to the *Notice of Non-Compliant Amendment (37 CFR 1.121)* would be complete with a **Listing of Claims** identical to the **Listing of Claims** in the first Supplemental Amendment, but with the amendment to claim 30 identified correctly. In effect, the **Listing of Claims** in this response will be substituted for the **Listing of Claims** in the first Supplemental Amendment, so that the status of the claims (indicated in parenthesis) in the **Listing of Claims** in this response is identical to the status of the claims (indicated in parenthesis) in the **Listing of Claims** in the first Supplemental Amendment. In addition, this response to the *Notice of Non-Compliant Amendment (37 CFR 1.121)* does not repeat the **Amendments to the Specification** and the **Remarks/Arguments** that are included in the first Supplemental Amendment.

Respectfully submitted,
